Mr. Gray S. Edwards, PE
Edwards Engineering, Inc.
1885 Corporate Square Blvd.
Jacksonville, FL 32216

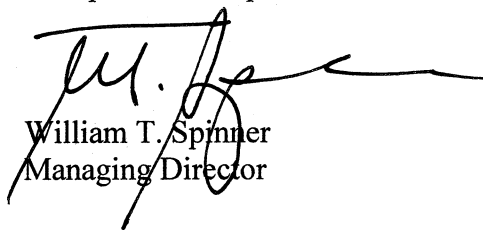

To Whom It May Concern:

This letter will serve as a recommendation for Mr. Gray Edwards, the owner of Edwards Engineering, Inc.

Group IV Developers has hired Mr. Edwards and his firm to provide civil engineering services for several of our large office buildings sites and industrial developments. We count on Edwards Engineering to provide designs that are practical and cost effective. We consider them to be one of the best firms in town, both in job performance and meeting the schedule for permitting. Their designs, comprehensive drawings and technical management during construction allow our jobs to run smoothly and efficiently.

Mr. Edwards is a competent individual of sterling character and the highest degree of responsibility. I recommend him and his company enthusiastically and without reservation.

Very truly yours,
Group IV Developers
