To Whom It May Concern:

I wish to take this opportunity to elaborate on RMC Property Group's professional relationship with Edwards Engineering, Inc.

Edwards Engineering continually provides unique approaches that consistently save us construction money.

Edwards, no matter the locale, has provided a consistent level of high-quality engineering and associated permitting. It has been a pleasure to know that under Gray Edwards' personal direction, civil engineering is one less worry for me! The firm consistently meets budgets and schedules with professionalism and attention to detail.

I have been very impressed with their professionalism, knowledge, and ability to relate to the regulatory community and our needs. We highly recommend Edwards Engineering and plan to use them in the future.

Sincerely,  
**RMC PROPERTY GROUP**
